Re: November Monthly Report (10/1/97-10/31/97)

Dear Mr. Averett:

All expenditures listed for Telecommunication Cost, Satellite Time, Television Media Cost, Telemarketing Costs and Ad Cost on Schedule H4 for Line 21(a) and Schedule B for Line 21(b) are RNC operating costs. None of these expenditures are candidate specific. They are either generic overhead costs or RNC fundraising costs.

I am enclosing a copy of the Schedule H2 which we filed with this report. I am confused in exactly what you are asking for. We filed Schedule H2(s) with our September Monthly and October Monthly reports which disclosed the identifying codes of E8, T8, P8, M9, E9 and P9. If you review our prior period reports, we were showing a debt each month. We are reporting these expenditures on this report because these were prior period expenses being paid this period. The allocation ratio's percents for these events were reported on the proper period FEC Report and have not changed since initially reported. The event to date total expense was calculated and reported in the period when the expense was paid.

If you need any additional information or further clarification, please feel free to contact me at 202-863-8755.

Sincerely,

Pat Hnyck
Director of Accounting
